

HUBzone & Veteran Owned Small Business

Rocket Productions, Inc

Rocket Productions, Inc. is a full service production facility and creative house, located in downtown Chicago and the recipient of 5 Chicago Emmy awards. Former NBC producer, Hector Perez, founded Rocket Productions in 2002. Rocket has produced hundreds of broadcast quality programs including TV commercials, radio commercials, Infomercials, training videos, public service announcements (PSA s), corporate videos, educational videos and documentaries. Rocket offers a variety of services including concept development, scriptwriting, producing, directing, shooting, video editing, After Effects Graphics, video encoding for the web, video dubbing, audio recording, mixing and mastering, and project management. Rocket also offers live Internet streaming. Rocket is fully insured and carries a \$1,000,000 liability bond. Rocket works in both the English and Spanish markets.
